What did you like about the course and/or instructor? Please give examples.

Mr. Grech was awesome. He understood how to teach us in such a way where it never felt pressured. The course itself wasn't terrible, but Mr. Grech would incorporate other outside aspects to make it more understandable and enjoyable.

What aspects of the course and/or the instructor's instructional methods should be improved? Please give examples.

Honestly the course work from the textbook was quite boring so if anything would need to be changed, I would add more exciting and useful passages.

What did you like about the course and/or instructor? Please give examples.

I like that the instructor is passionate about what he teaches about, which in turn extends to his students and makes a class that is a requirement for all freshman, fun. He talks about things and gives examples that are relevant to culture and society today, which makes the information somewhat relatable and easier to digest.

What aspects of the course and/or the instructor's instructional methods should be improved? Please give examples.

I don't think there is anything he could improve on.
