What did you like about the course and/or instructor? Please give examples.

I really like Phil's enthusiasm and energy when he tries to pep up the class. Some of the course material was interesting and helped me learn how to effectively write a paper, as well as consider different things when reading/watching/listening to a composition. When Phil gave crazy examples for things applicable to subject material, it helped improve my understanding.

What aspects of the course and/or the instructor's instructional methods should be improved? Please give examples.

Aspects of the course that could be improved is maybe focusing on actual literature versus writing all the time.
