What did you like about the course and/or instruct a 2.5:
What did you like about the course and/or instructor? Please give examples.
The instructor provided a clear and concise syllabus that made assignments and arganization more manageable. He communicated very effectively and gave back entical and helpful feedback on all assignments. As a person who thinks their conting is already very good, I feel like I learned alot from the instructor both a rademically and personally.
