Phil was very helpful throughout the semester. The conferences are what I liked the most about this course. Phil was very approachable and knowledgeable about writing.

Phil's methods were great and he did his best to capture our attention when instructing us on the material. The textbook was sub par at best. Not very helpful and a huge waste of money.

I started off the semester dreading taking ENX 2135. Phil quickly changed that. He keeps the class entertained for the entire time. He has been my favorite professor so far at FSU, not to mention he helped me to write three of my best compositions to date.
